Assignment Date _____ Presentation Date _____

1. According to the *Federalist*, how does federalism preserve liberty?
2. Explain the concept of “dual sovereignty.”
3. How is liberty established in a new nation? For the United States, how would the election of 1800 support your answer? What was the role of federalism?
4. What was the price of dual sovereignty?
5. Since the New Deal, why has the constitutional power of the national government expanded so dramatically?
6. Explain why most national efforts to influence state/local governments come in the form of federal money? Cite a specific example to support your answer.
